### LETTER REGARDING CONTINUED EXAMINATION (RCE)

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

**Before processing, please check if RCE has already been filed. Please do not make a second charge to deposit account.**

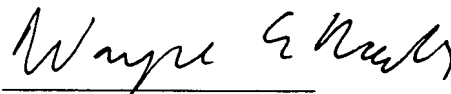

The enclosed request for RCE of the above-identified application was sent by fax to the USPTO (571 273 8300) on 19 April 2007. If this RCE has been previously received and Deposit account 501231 already charged \$790 in respect to this RCE, please do not again charge the deposit account for this amount.

There is doubt that the RCE went through. Although we received an internal fax report that the fax transmission was "OK" (copy enclosed), we did not get the automatic confirmation from the USPTO. Previously, this same event occurred on the fax machine from which the 19 April transmission was sent. In those cases the USPTO did not receive the transmission and it was suggested by USPTO personnel that the USPTO's spam blocker may have prevented reception.

To be sure the RCE is timely filed, this duplicate submission is made. Again, please do not re-charge deposit account 501231 if the charge has already been made.

Respectfully Submitted,

19 April 2007
